Redemption Point respectfully requests that you consider this is a market on church property and all items should be appropriate to a Christian church. After reviewing your description of items to sell, we reserve the right to deem certain items inappropriate to sell at our Market. We understand that people have different opinions regarding this, and that a Redemption Point Christmas Market Admin has the right to ask you even on the day of the market to not sell items that we determine inappropriate. For example, but not limited to, skulls, Nightmare before Christmas type items, no items rated above PG.
